MASTER

In this modern lifestyle it is not easy to spare time for yourself and the family. Also, in this fast moving busy lifestyle people often have food at hotels, restaurants, dhabas etc.

Understanding the need of home and commercial kitchen, we at "Bullet Master" continuously developing and manufacturing innovative & quality appliances to save your time & lengthy process while making food, juices, shakes, masalas, chutneys etc..., so that you enjoy the healthy & delicious food with your family and can spend quality time with them.

Under the leadership & 40 years experience of Mr. Nadim Ahmed, Bullet Master Appliances are manufactured under strict quality control environment to satisfy every customer.

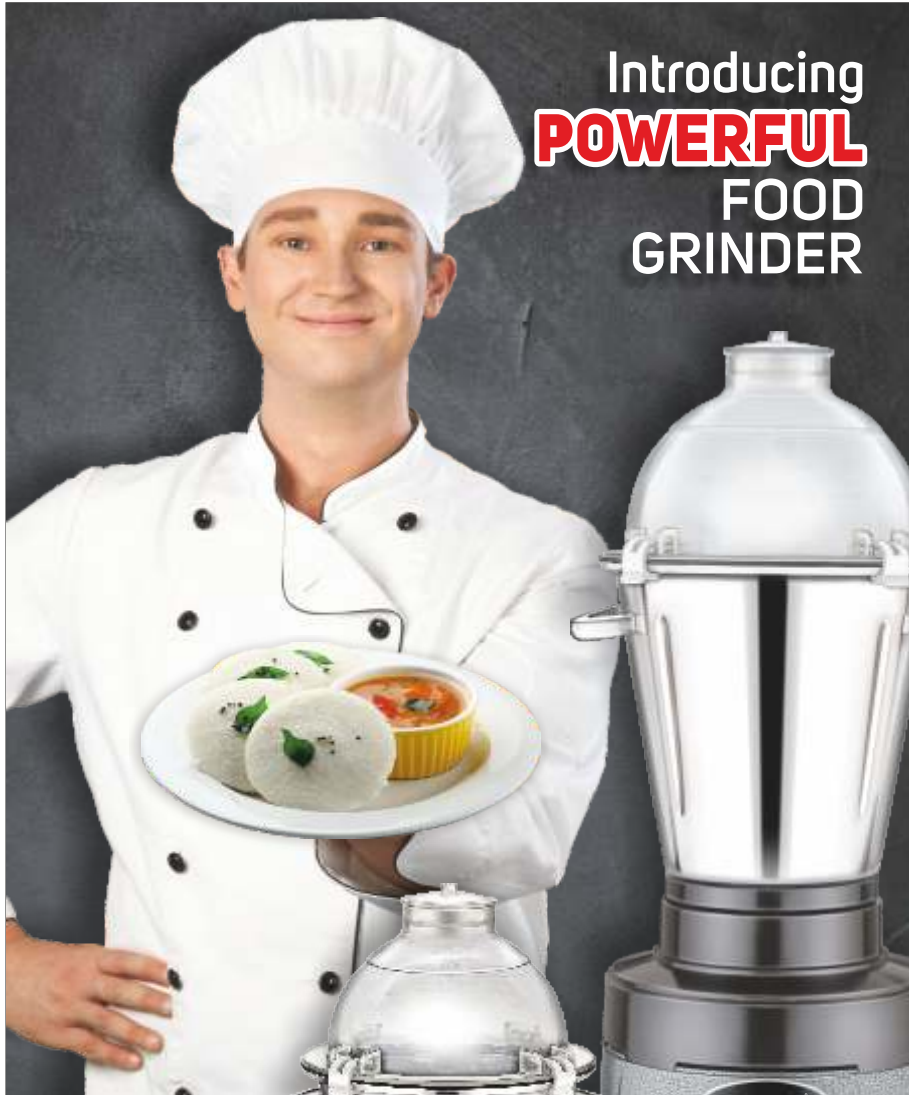

We have the biggest range of high performance Industrial Food Grinding Machines / Blenders & Shakers / Commercial Mixers & Grinders ranging from 1200 Watts to 2500 Watts with different jar types & capacities to suit all needs of a commercial kitchen.

Our further range of products include juicer mixer grinders, Mixer Grinders, Electric Irons, Choppers, Roti Maker, Hand Blenders & many more...
